

Jackie Stanley links up with Florida

Jackie Stanley

Caroline Saigol, Jackie's sister in Florida.

JACKIE Stanley's sister Caroline spent all her holidays with Jackie in Cornwall as a young girl. When she married she moved to Florida where she has acquired a licence and became a successful realtor. The two sisters are now planning a business collaboration to assist U.K. residents in locating vacation and investment properties in

Florida.

"The Florida property market represents a wonderful opportunity for the British. The stability of the US, year round sunshine, beaches, resorts and the relative strength of the British pound versus the US dollar, make our Florida property search service valuable for our customers. "With Caroline

based in Florida, it puts our agency in a unique position to offer both a trusted local and Florida property service," says Jackie Stanley. Caroline says that she is very excited about working with Jackie and that it is a dream come true. "I've looked to Jackie as a role model all of my life, to now have an opportunity to work together and

link my business with Jackie is just wonderful. I'm also looking forward to assisting Brits in their Florida property search. I love living here. The lifestyle is fantastic and I'd like to share it with my fellow countrymen."
